Ways to know you should update your act.

1. You are still trying to borrow those half dollars
2. Your color changing records are the original cylinders Edison used.
3. The egg for your egg bag has hatched.
4. You are still performing the original telegraph trick in the Tarbell course.
5. When the sound man asks for your music you proudly pull out your stack of 8-tracks.
6. You magically set off a flash cube, but the audience is more amazed that you found one.
7. Your magic comes from Discovery of Witchcraft.
8. You think copying Copperfield is making your act fresh.
9. You refer to your assistants as dames.

And Number 10
